Dear Sir/Madam,

With reference to your planning application, received on 12/09/97 in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning & Development) Acts 1963-1993, the following **ADDITIONAL INFORMATION** must be submitted in quadruplicate:

- 1 The applicant is requested to submit accurate and up-to-date site layout plan at scale of 1:500 showing the relationship of the application site to all surrounding roads, dwellings buildings and other structures.
- 2 It is noted that the implementation of the proposed development would involve interference with the boundary wall on the southern boundary of the site and overhanging/underpinning of the side boundaries of the dwelling. It would also be necessary to enter onto adjoining property to carry out the proposed development. The applicant is requested to submit written confirmation of his ownership of this boundary wall and to provide written confirmation from the owners of property onto whose land it would be necessary to enter to carry out the development.
