Dear Sir/Madam,  
With reference to your planning application, received on 31/01/97 in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning & Development) Acts 1963-1993, the following **ADDITIONAL INFORMATION** must be submitted in quadruplicate:

- 1 On foot of inspection carried out on this site it was noted that the septic tank serving the house was not functioning properly and the kitchen waste pipe was not connected to any drain. The site is within the catchment of the Bohernabreena reservoir which is a major source of drinking water for Dublin. The applicant is requested to submit a detailed drainage layout of the site to include all foul and surface water drains. Revised proposals to remedy septic tank problems on site should also be submitted.
