Conditions and Reasons

- 1 Subject to the conditions set out below, the development shall be undertaken strictly in accordance with the submitted plans and details as amended by the revised plans and details received by the Planning Authority on the 15 December 1997.
REASON:
In the interest of the proper planning and development of the area.

- 2 Prior to the commencement of development a detailed landscaping and planting scheme for the site shall be submitted to and be to the satisfaction of the Planning Authority. The landscaping scheme shall include a full works specification, a timetable for implementation, a maintenance programme (for a period of at least 18 months programme), and a bill of quantities for the development of the open space within the development as well as details for grading, top soiling, seeding, pathways, drainage, tree, bulb and shrub planting. Details for the storage of top soil related to the development shall also be provided.
REASON:
In the interest of the proper planning and development of the area, visual and residential amenity.

- 3 Prior to the first occupation of each dwelling front side and rear garden areas shall be levelled, graded and seeded and provided with sufficient top soil to allow grass and other vegetation to grow. Details for tree planting in the front gardens of dwellings, including specifications, shall be submitted to and be to the satisfaction of the Planning Authority prior to the commencement of development.
REASON:
In the interest of the proper planning and development of the area, visual and residential amenity.

- 4 The areas shown as Class 2 open space and the area adjacent to the roundabout opposite sites 20 to 25 and 55 to 52 inclusive on plan No. P002H received by the Planning Authority on the 15th December 1997 shall be provided as open space areas for the development and shall be retained as such in perpetuity. These open space areas shall be

fenced off during the construction period and shall not be used for the purposes of site compounds or for the storage of plant, machinery, materials or spoil.

REASON:

In the interest of the proper planning and development of the area.

- 5 Prior to the commencement of development full details for proposed boundary treatment to the dwellings and the site shall be submitted to and be to the satisfaction of the Planning Authority, including in particular, boundary treatment to the Griffeen Park and the Griffeen Road.

REASON:

In the interests of the proper planning and development of the area, visual and residential amenity.

- 6 That screen walls in block or similar durable materials not less than 2 metres high, suitably capped and rendered, be provided at the necessary locations so as to screen rear gardens from public view. The specific locations and extent of walling must be fully discussed and agreed with the County Council before construction. Timber fencing is not acceptable.

REASON:

In the interest of visual amenity.

- 7 Other than where "extended kitchen areas" adjoin each other, a 1.8m high privacy wall, plastered on both sides and capped, shall be erected for a distance of 2 metres from the rear party wall of each attached dwelling.

REASON:

In the interest of residential amenity.

- 8 All bathroom, utility room and landing windows shall be fitted with obscure glass and where openings are provided they shall be of the high level type only.

In the interest of the proper planning and development of the area.

- 16 That the water supply and drainage arrangements, including the disposal of surface water, be in accordance with the requirements of the South Dublin County Council. In this regard no building to be within 5m of any sewer with the potential to be taken-in-charge.
REASON:
In order to comply with the Sanitary Services Acts, 1878 - 1964.

- 17 That all watermain tappings, branch connections, swabbing and chlorination be carried out by the County Council's, Environmental Services Department and that the cost thereof be paid to South Dublin County Council before any development commences. No building to lie within 5 metres of watermains under 225mm diameter and within 8 metres of watermains greater than 225mm diameter not unit adjacent to 300mm diameter watermain on Griffeen Road.
REASON:
To comply with public health requirements and to ensure adequate standards of workmanship. As the provision of these services by the County Council will facilitate the proposed development it is considered reasonable that the Council should recoup the cost.

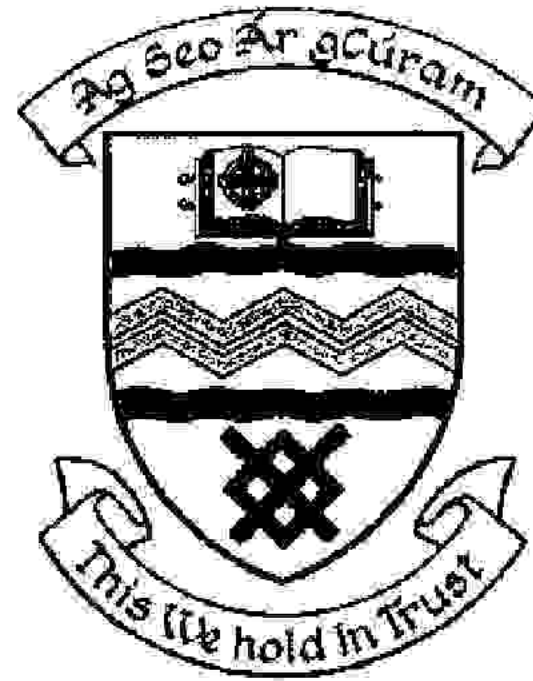

- 18 That an acceptable street naming and house numbering scheme be submitted to and approved by the County Council before any constructional work takes place on the proposed houses.
REASON:
In the interest of the proper planning and development of the area.

- 19 That the developer shall construct and maintain to the Council's standard for taking in charge all the roads, including footpaths, verges, public lighting, open space, sewers, watermains or drains, forming part of the development, until taken in charge by the Council.

REG REF. S97A/0717

In order to comply with the Sanitary Services Acts, 1878 - 1964.

- 17 That all watermain tappings, branch connections, swabbing and chlorination be carried out by the County Council's, Environmental Services Department and that the cost thereof be paid to South Dublin County Council before any development commences. No building to lie within 5 metres of watermains under 225mm diameter and within 8 metres of watermains greater than 225mm diameter note unit adjacent to 300mm diameter watermain on Griffeen Road.

REASON:

To comply with public health requirements and to ensure adequate standards of workmanship. As the provision of these services by the County Council will facilitate the proposed development it is considered reasonable that the Council should recoup the cost.

- 18 That an acceptable street naming and house numbering scheme be submitted to and approved by the County Council before any constructional work takes place on the proposed houses.

REASON:

In the interest of the proper planning and development of the area.

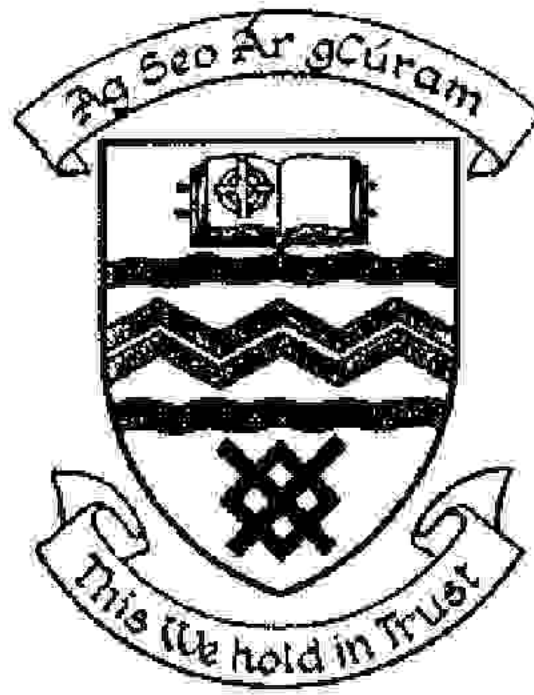

- 19 That the developer shall construct and maintain to the Council's standard for taking in charge all the roads, including footpaths, verges, public lighting, open space, sewers, watermains or drains, forming part of the development, until taken in charge by the Council.

REASON:

In the interest of the proper planning and development of the area.

- 20 Prior to the commencement of development a detailed phasing programme including construction details for the construction of the Griffeen Road and the proposed Outer Ring Road shall be submitted to and be to the satisfaction
