Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.
REASON:
To ensure that the development shall be in accordance with the permission and that effective control be maintained.
- 2 That the applicant indemnify the council against any claim made against the Authority as a result of the presence of the structure on public property.
REASON:
In the interests of the proper planning and development of the area.
- 3 That the applicant accepts responsibility for the removal of the structure at his own expense if such is necessary for the purposes of road widening, reconstruction or repair and for the repair, replacement and renewal of any services installed in the public road.
REASON:
In the interests of the proper planning and development of the area.
- 4 The structure or panels shall not be lit in such a manner so as to cause excessive glare or distraction to road users or the occupants of surrounding properties.
REASON:
In the interests of the proper planning and development of the area and the prevention of the creation of a traffic hazard.
- 5 The level of illumination may be revised from time to time by the Planning Authority and adjustments shall be made as required by the Planning Authority.
REASON:
In the interests of the proper planning and development of
