Reasons

- 1 The proposed development would interfere with the safety of aircraft and the safe and efficient navigation thereof into and out of Casement Aerodrome, Baldonnell.
- 2 The proposed development could be prejudicial to public health given the proximity of the house and offices at the base of the mast and the proximity of the two-storey house to the east (approx. 90m) and could endanger the health and safety of persons occupying or employed in these buildings.
- 3 The proposed development would seriously injure the amenities and depreciate the value of property in the vicinity.
