Conditions and Reasons

REASON:

The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

To ensure that the development shall be in accordance with the permission, and that effective control be maintained.

- That the entire premises be used as a single dwelling unit. REASON:

 To prevent unauthorised development.
- That all external finishes harmonise in colour and texture with the existing premises.

 REASON:

 In the interest of visual amenity.
- That the proposed shed be used solely for purposes incidental to the enjoyment of the dwelling house as such and shall not be used for the carrying on of any trade or business.

 REASON:

To prevent unauthorised development.

NOTE: Applicant is advised that the consent of adjoining owner is required relative to any encroachment on or over adjoining property.

All buildings must now be designed and constructed in accordance with the new Building Regulations. The Regulations also provide that a Commencement Notice must be submitted to the Building Control Authority in respect of all buildings other than exempted development for the purposes of the Local Government (Planning and Development) Acts, 1963 - 1993, not less than seven days and not more than twenty-one days before development commences. A copy of the form of commencement notice is attached.

In addition, a Fire Certificate must be obtained from the Building Control Authority in respect of the erection, alteration or change of use of all buildings other than dwelling houses.
