Applicant **Jordan Bros. Auctioneers.**

A PERMISSION/APPROVAL has been granted for the development described below subject to the undermentioned conditions.

**retention of 3 internally illuminated signs at Main Street, Tallaght.**

CONDITIONS

REASONS FOR CONDITIONS

The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.  
That the T-shaped sign affixed to the front facade and the sign on the gable wall be removed.  
That the remaining sign be structurally stable and properly fixed to the structure.  
This permission does not authorise the retention of another existing sign affixed to the front facade of the premises at 1st floor level. A separate planning application for the retention of this unauthorised sign is required to be lodged with the Planning Authority.

NOTE: The applicant is advised that more favourable consideration may be given to a proposal for a less obtrusive and non-illuminated sign to the western gable of the premises.

1. To ensure that the development shall be in accordance with the permission and that effective control be maintained.
2. In the interest of visual amenity and in the interest of the proper planning and development of the area.
3. In the interest of safety.
4. To prevent unauthorised development.

Signed on behalf of the Dublin County Council:.....

for Principal Officer

Date: **31 MAY 1983**

Approval of the Council under Building Bye-Laws must be obtained before the development is commenced and the terms of approval must be complied with in the carrying out of the work.
