Conditions and Reasons

The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

REASON:

To ensure that the development shall be in accordance with the permission, and that effective control be maintained.

- That all external finishes harmonise in colour and texture with the existing premises.

 REASON:

 In the interest of visual amenity.
- Only clean uncontaminated surface water shall be discharged to the public surface water sewer.

 REASON:

 In the interest of public health.

NOTE: The applicant is advised that in the event of encroachment or oversailing of adjoining property, the consent of the adjoining property owner(s) is required.

All buildings must now be designed and constructed in accordance with the new Building Regulations. The Regulations also provide that a Commencement Notice must be submitted to the Building Control Authority in respect of all buildings other than exempted development for the purposes of the Local Government (Planning and Development) Acts, 1963 - 1993, not less than seven days and not more than twenty-one days before development commences. A copy of the form of commencement notice is attached.

In addition, a Fire Certificate must be obtained from the Building Control Authority in respect of the erection, alteration or change of use of all buildings other than dwelling houses.
