Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

REASON:

To ensure that the development shall be in accordance with the permission and that effective control be maintained.

- 2 The materials used in the construction of the pillars and walls shall harmonise in colour and texture with the adjoining properties.

REASON:

In the interest of the proper planning and development of the area.

- 3 That all necessary measures be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works.

REASON:

To protect the amenities of the area.
