Conditions and Reasons:

1. The applicant shall provide 3 no. apartments as social or affordable housing (as defined in Part V of the Planning and Development Act 2000) and pursuant to the provisions of the South Dublin County Council Housing Strategy. Written agreement in the form of a contract shall be reached with the Housing Strategy Unit prior to commencement of development. Reason: To comply with the South Dublin County Council Housing Strategy.
2. That each proposed apartment be used as a single dwelling unit. Reason: To prevent unauthorised development.
3. Notwithstanding condition 1 above, the proposed development shall otherwise be in accordance with the terms and conditions of the planning permission granted by An Bord Pleanála PL O6S. 119437, and S00A/0767 including the financial conditions thereof. Reason: In the interest of the proper planning and development of the area.
4. The following are the conditions of the Environmental Services Department: · The proposed new 400mm sewer shall be constructed by the applicant, under the supervision of South Dublin County Council, prior to the commencement of the construction of the proposed development. Exact details of its design and routing, and in particular the river crossing, shall be agreed in writing with Drainage Area Engineer (Deansrath Depot: 457 0784) prior to the commencement of development. · Surface water discharges from the site shall be limited to a maximum discharge of 20.43 litres per second. · All surface water runoff from vehicle parking / marshalling areas shall be routed via a petrol / oil / diesel interceptor before discharging to the surface water sewer. · Applicant to ensure full and complete separation of foul and surface water systems. · Buildings of 3 storeys or more shall have balancing tanks and booster pumps on the rising main to top storey units to ensure adequate pressure to top storey units. · All conditions of the previous permission S99A/0664 and of An Bord Pleanála relating to drainage, surface water attenuation and water supply shall still apply. · Each apartment shall have its own individual service connection to the public watermain and 24hour storage. · The connection to and tapping of public watermains shall be carried out by South Dublin County Council personnel at the applicant's prior expense. · No buildings shall be erected within 5 metres of a public sewer or any sewer and potential to be taken in charge, REASON: In order to comply with the Sanitary Services Act 1878-1964.
5. The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application and additional information received on 06/03/2002 and clarification of additional information received on 27/05/2002, save as may be required by the other conditions attached hereto. REASON: To ensure that the development shall be in accordance with the permission and that effective control be maintained.
