## Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

### REASON:

To ensure that the development shall be in accordance with the permission and that effective control be maintained.

- 2 The use of the structure as office space shall be wholly ancillary to the existing main use of the site and structures thereon for educational purposes.

### REASON:

In order to clarify the use of the structure in the interest of the proper planning and development of the area.

- 3 Within a period of 5 years from the notification date of this decision to grant planning permission, the prefab / portacabin structure shall be removed permanently from the site unless before that date permission is granted for its further retention by the Planning Authority or An Bord Pleanála on appeal.

### REASON:

To preserve the visual amenity of the area and in the interest of the proper planning and development of the area.

- 4 The existing trees, shrubbery and vegetation along the eastern site boundary shall be retained in full.

### REASON:

In order to screen the structure adequately in the interest of the proper planning and development of the area..

- 5 That the water supply and drainage arrangements, including the disposal of surface water, be in accordance with the requirements of the County Council.

- i) Applicant to ensure full and complete separation of foul and surface water systems.
- ii) No buildings shall be erected within 5 metres of a public sewer or any sewer with the potential to be taken in charge.
- iii) If not already the case the water supply to the school shall be commercially metered. Full 24hour water storage shall be provided.

### REASON:

In order to comply with the Sanitary Services Acts, 1878-1964.

- 6 That all necessary measures be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works.  
REASON:  
To protect the amenities of the area.

- (1) All buildings must be designed and constructed in accordance with the Building Regulations 1997.
- (2) Building Control Regulations require a Commencement Notice. A copy of the Commencement Notice is attached.
- (3) A Fire Safety Certificate must be obtained from the Building Control Authority, where applicable.
- (4) Free Standing Walls must be designed and constructed in accordance with IS 325: Code of Practice for use of Masonry Part 1 : Structural use of unreinforced Masonry. The Owner must also ensure that the construction of all walls is supervised by a competent person.

Signed on behalf of South Dublin County Council.
