Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.
REASON:
To ensure that the development shall be in accordance with the permission and that effective control be maintained.
- 2 The first floor offices shall be ancillary to the light industrial use on the ground floor of the proposed unit and shall not be let or sold separately.
REASON:
In the interests of the proper planning and development of the area.
- 3 That all necessary measures be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works.
REASON:
To protect the amenities of the area.
- 4 Prior to the commencement of the development, the applicant shall submit details of all boundary treatment, for the written agreement of the Planning Authority. This shall include elevations of any proposed new structures, such as the dwarf wall with fence over indicated on the site plan. The applicant is advised that the proposed palisade fencing to the rear of the site is not acceptable. As such, revised drawings showing a more visually appropriate alternative shall be submitted to and approved by the Planning Authority prior to the commencement of development.
REASON:
In the interests of visual amenity.
5. That the water supply and drainage arrangements, including the disposal of surface water, be in accordance with the requirements of the County Council. In that respect;
 - (i) No building shall be erected within 5 metres of a public sewer or any sewer with the potential to be taken in charge.
 - (ii) The applicant shall ensure the full and complete separation of foul and surface water systems.
 - (iii) No discharge of trade effluent to sewer shall be permitted without the applicant first obtaining from the Environmental Services Department a licence

under Section 16 of the Water Pollution Acts 1977-1980.

- (iv) All surface water runoff from vehicle parking/ marshalling areas shall be routed via a petrol/oil/ diesel interceptor before discharging to the surface water sewer.
- (v) Each unit shall have its own commercially metered connection to the public watermain and full 24 hour water storage.
- (vi) The connection to and tapping of public watermains shall be carried out by South Dublin County Council personnel at the applicant's prior expense.

REASON:

In order to comply with the Sanitary Services Acts, 1878-1964.

- 6 That prior to commencement of development the requirements of the Chief Fire Officer be ascertained and strictly adhered to in the development.

REASON:

In the interest of safety and the avoidance of fire hazard.

- 7 That prior to commencement of development the requirements of the Principal Environmental Health Officer be ascertained and strictly adhered to in the development.

REASON:

In the interest of health.

- 8 That no industrial effluent be permitted without prior approval from Planning Authority.

REASON:

In the interest of health.

- 9 That the area between the building and roads must not be used for truck parking or other storage or display purposes, but must be reserved for car parking and landscaping as shown on lodged plans.

REASON:

In the interest of the proper planning and development of the area.

- 10 That no advertising sign or structure be erected except those which are exempted development, without prior approval of Planning Authority or An Bord Pleanála on appeal.
