Conditions and Reasons

1. The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

REASON:

To ensure that the development shall be in accordance with the permission and that effective control be maintained.

2. That the water supply and drainage arrangements, including the disposal of surface water, be in accordance with the requirements of the County Council.

In that respect:

- i) No buildings shall be erected within 5 metres of a public sewer or any sewer with the potential to be taken in charge.
- ii) Applicant to ensure full and complete separation of foul and surface water systems.
- iii) The applicant shall agree full details of the surface water drainage arrangements for the development with the Environmental Services Department of South Dublin County prior to the commencement of development.
- iv) All pipes shall be laid with a minimum cover of 1.2m in roads, footpaths and driveways, and 0.9m in open space. Where it is not possible to achieve these minimum covers, pipes shall be bedded and surrounded in C20 concrete 150mm thick.

REASON:

In order to comply with the Sanitary Services Acts, 1878-1964.

3. Having regard to the fact that the zone of archaeological potential in Saggart Village (Ref. 021034) overlaps the extreme north west corner of the site, that the developer shall facilitate Duchas 'The Heritage Service' in the safeguarding of any items of archaeological significance which the site may possess. In this regard, the developer shall notify the Archaeological Division of Duchas "The Heritage Service" in writing in advance of commencement of works on site, i.e., 4 weeks before work commences to facilitate archaeological appraisal of the site during the

digging of foundations and the laying of utility services on the site.

REASON:

In the interest of the proper planning and development of the area.

- 4 Prior to the commencement of development on site the applicant shall submit for the prior written agreement of the Planning Authority, full details of proposed screen planting along the site boundaries. This planting shall be carried out and completed within the first planting season following erection of the palisade fencing and ESB-substation.

REASON:

In the interest of the proper planning and development of the area and in order to screen the proposed development within a reasonable period of time.

- 5 That all necessary measures be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works.

REASON:

To protect the amenities of the area.

- 6 That a financial contribution in the sum of EUR 127 (one hundred and twenty seven euro) be paid by the proposer to South Dublin County Council towards the cost of provision of public services in the area of the proposed development and which facilitate this development; this contribution to be paid before the commencement of development on the site.

REASON:

The provision of such services in the area by the Council will facilitate the proposed development. It is considered reasonable that the developer should contribute towards the cost of providing the services.
