Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

REASON:

To ensure that the development shall be in accordance with the permission and that effective control be maintained.

- 2 That the palisade fence and gate be removed from the site within five years of the date of final grant of permission unless, prior to that date, a further permission for its retention is granted by the Planning Authority or An Bord Pleanála on appeal

REASON:

To enable the Planning Authority to reassess the development in the context of possible future requirements pertinent to the proper planning and development of the area

- 3 The following are the requirements of the Environmental Services Department:

- No part of the security fence foundations shall be erected within 2 metres of a public sewer or any sewer with the potential to be taken in charge
- No part of the security fence foundations shall be erected within 2 metres of a public watermain or any watermain with the potential to be taken in charge

REASON:

In the interest of public health.

- (1) All buildings must be designed and constructed in accordance with the Building Regulations 1997.
- (2) Building Control Regulations require a Commencement Notice. A copy of the Commencement Notice is attached.
- (3) A Fire Safety Certificate must be obtained from the Building Control Authority, where applicable.
- (4) Free Standing Walls must be designed and constructed in accordance with IS 325: Code of Practice for use of Masonry Part 1 : Structural use of unreinforced Masonry. The Owner must also ensure that the construction of all walls is supervised by a competent person.

Signed on behalf of South Dublin County Council.
