Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.
REASON:
To ensure that the development shall be in accordance with the permission and that effective control be maintained.
- 2 That the entire premises be used as a single dwelling unit.
REASON:
To prevent unauthorised development.
- 3 That all external finishes harmonise in colour and texture with the existing premises.
REASON:
In the interest of visual amenity.
- 4 That before any work commences the applicant shall submit for the written agreement of the Planning Authority revised site layout plan and elevation and floor plan drawings. These shall provide for an appropriate reduction in the width of the proposed house to match that of the existing house (excluding the garage). The separation distance between the side wall of the proposed house and the roadside boundary of the site shall be increased accordingly.
REASON:
To ensure a more satisfactory relationship to the public road in the interest of the proper planning and development of the area.
- 5 That the water supply and drainage arrangements, including the disposal of surface water, be in accordance with the requirements of the South Dublin County Council. In this regard the following requirements shall be complied with:
 - (a) No buildings shall be erected within 5 metres of a public sewer or public watermain, or any sewer or watermain with the potential to be taken in charge.
 - (b) Applicant to ensure full and complete separation of foul and surface water systems.
 - (c) No more than 8 houses can be served by the same common foul drain.
 - (d) All pipes shall be laid with a minimum cover of 1.2m in roads, footpaths and driveways, and 0.9m in open space. Where it is not possible to achieve these minimum covers, pipes shall be bedded and surrounded in C20 concrete 150mm thick.
