Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

REASON:

To ensure that the development shall be in accordance with the permission and that effective control be maintained.

- 2 That the water supply and drainage arrangements, including the disposal of surface water, be in accordance with the requirements of the County Council.
 - i) Prior to the commencement of development the applicant shall liaise with the Water Services Area Engineer (Deansrath Depot: 457 0784) to establish the exact location any public sewers relative to the bus shelter and comply with his requirements regarding the protection of any sewers during construction.
 - ii) The applicant shall be liable for the cost of removing and replacing the bus shelter to facilitate maintenance work on public services when necessary.
 - iii) A 300mm diameter public watermain will be located under / adjacent to the proposed bus shelter. In this regard prior to the commencement of development the applicant shall liaise with the Water Services Area Engineer (Deansrath Depot: 457 0784) to establish the exact location any watermain relative to the bus shelter and comply with his requirements regarding the protection of this main during construction.

REASON:
