## Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

### REASON:

To ensure that the development shall be in accordance with the permission and that effective control be maintained.

- 2 This permission is for a period of five years from the date of Final Grant of Permission. The telecommunications structure and related ancillary structures shall then be removed unless, prior to the end of the period, planning permission shall have been granted for their retention for a further period.

### REASON:

To enable the impact of the development to be re-assessed, having regard to changes in technology and design during the period of five years.

- 3 No additional dishes, antennae or other equipment shall be affixed to the outside of the floodlight structure without the prior agreement of the Planning Authority.

### REASON:

In the interest of the visual amenities of the area.

- 4 The transmitter power output, antennae type and mounting configuration shall be in accordance with the details submitted with this application and shall not be altered without a prior grant of planning permission.

### REASON:

To clarify the nature of the development to which this permission relates and to facilitate a full assessment of any future alterations to the network.

- (1) All buildings must be designed and constructed in accordance with the Building Regulations 1997.
- (2) Building Control Regulations require a Commencement Notice. A copy of the Commencement Notice is attached.
- (3) A Fire Safety Certificate must be obtained from the Building Control Authority, where applicable.
