**Conditions and Reasons**

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application and Additional Information received on the 02/04/2001, save as may be required by the other conditions attached hereto.  
REASON:  
To ensure that the development shall be in accordance with the permission and that effective control be maintained.
- 2 That all external finishes harmonise in colour and texture with the existing premises.  
REASON:  
In the interest of visual amenity.
- 3 The applicant shall satisfy the following requirements of the Environmental Services Department:
  - . The applicant shall ensure full and complete separation of foul and surface water systems.
  - . All wastewater from kitchens shall be routed via an appropriate grease trap or grease removal system before being discharged to the public sewer.
  - . Prior to the commencement of development the applicant shall submit a layout showing the location of all existing and proposed drains, sewers, manholes and AJs within the site. This shall be in compliance with Part H of the 1997 Building Regulations and shall clearly show pipe sizes, gradients, cover, invert and finished floor levels, up to and including connection to public sewer.
  - . No building shall be sited within 5 metres of a public sewer or sewer with potential to be taken in charge.
  - . If not already the case, the water supply to the clubhouse shall be metered.
  - . The applicant to provide 24-hour storage to the development.REASON:  
In the interest of public health.
