Dear Sir/Madam,  
With reference to your planning application, received on 08/12/00 in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning & Development) Acts 1963-1993, the following **ADDITIONAL INFORMATION** must be submitted in quadruplicate:

- 1        It is noted from the site inspection that there are in fact no signs in place. As such the application should be for permission as opposed to retention. Accordingly, the applicant is requested to submit revised public notices (site and newspaper notices) and revised planning application forms.
- 2        The applicant is advised that illuminated box signs are not acceptable in the Tallaght Town Centre Area. Illumination should instead take the form of back-lit letters. The applicant is requested to submit a revised proposal taking the foregoing into consideration and also providing details of materials and profiles/sections of signs.
- 3        The applicant is requested to submit a revised site location map showing the location of the proposed signs.
