Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application and Additional Information received on the 11/07/2001, save as may be required by the other conditions attached hereto.
REASON:
To ensure that the development shall be in accordance with the permission and that effective control be maintained.
- 2 This permission is for a period of 5 years from the date of the final grant of permission. The telecommunications structure and related ancillary structures shall then be removed as soon as practicable unless, prior to the end of the period, planning permission shall have been granted by the Planning Authority or by An Bord Pleanála on appeal for the retention for a further period.
REASON:
To enable the impact of the development to be reassessed having regard to changes in technology and design during the period of 5 years.
- 3 No alterations shall be made in any way to the proposed development from that indicated in the planning application without a prior grant of planning permission.
REASON:
To clarify the nature of the development to which the permission relates and to facilitate a full assessment of any intended alterations.
- 4 That all necessary measures be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works.
REASON:
To protect the amenities of the area.
- 5 That the water supply and drainage arrangements, including the disposal of surface water, be in accordance with the requirements of the County Council. In particular no structures shall be erected within 5 metres of a public sewer or any sewer with potential to be taken in charge.
REASON:
In the interest of the proper planning and development of the area.
- 6 The applicant shall ascertain and strictly adhere to the requirements of Dublin Corporation Waterworks Division in

App. Type Permission

Dear Sir/Madam,

With reference to your planning application, received on 21/11/00 in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning & Development) Acts 1963-1993, the following **ADDITIONAL INFORMATION** must be submitted in quadruplicate:

- 1 The Planning Authority note that there is an existing 24 metre high mast located at No. 8 Cookstown Industrial Estate. The applicant is requested to clarify if he has considered the option of sharing the use of existing masts in the area and to submit any proposals if any for sharing facilities with existing telecommunications operatives.
- 2 The applicant is requested to indicate if the height of the structure can be reduced and if a slimmer structure can be provided.
- 3 The applicant is requested to give details of the number type and design details of the proposed antennae.
- 4 The proposed structure, appears to be located in close proximity to Dublin Corporation trunk watermain (30" and 1200mm diameter) to the north of the site. The applicant is requested to submit written evidence of Dublin Corporations agreement to the proposed development.
