App. Type Permission

Dear Sir/Madam,

With reference to your planning application, received on 04/09/00 in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning & Development) Acts 1963-1993, the following **ADDITIONAL INFORMATION** must be submitted in quadruplicate:

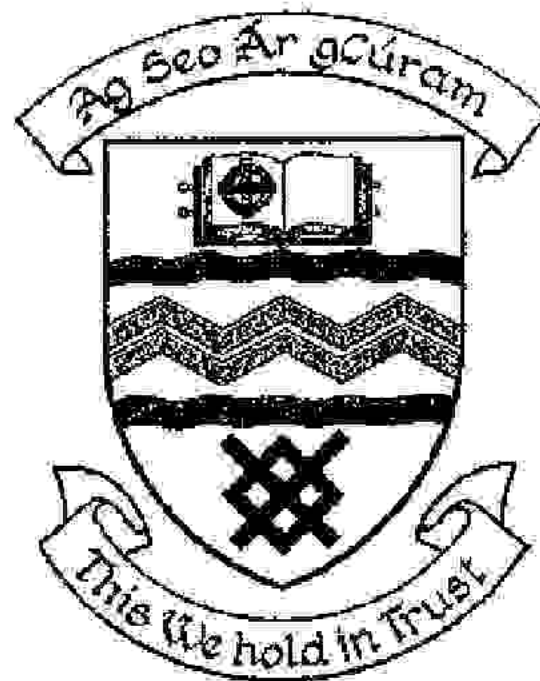

- 1 The applicant is requested to indicate the precise extent of the extension which it is proposed to retain. In this regard the applicant shall note that Planning Department records indicate that the area shown in the floor plan as "bike store" was the subject of an application for retention under S95A/0071, but was not granted planning permission. Should a larger extension be proposed for retention that currently proposed, revised public notification (site and newspaper notices) is required making reference to this.
- 2 The applicant shall submit a detailed block plan for the site, which clearly distinguishes in colour between the existing premises, the extension(s) to be retained and indicates the site boundaries. The block plan shall indicate the extent of development on adjoining properties. The applicant shall note that the submitted site plan, floor plan and site location map do not correspond.
- 3 The applicant is requested to submit a section running north-south through the site, from the street to the rear boundary.
