Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, as amended by additional information received by the Planning Authority on 14/11/00 save as may be required by the other conditions attached hereto.
REASON:
To ensure that the development shall be in accordance with the permission and that effective control be maintained.
- 2 That the proposed house be used as a single dwelling unit.
REASON:
To prevent unauthorised development.
- 3 That all necessary measures be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works.
REASON:
To protect the amenities of the area.
- 4 That all public services to the proposed development, including electrical, telephone cables and equipment be located underground throughout the entire site.
REASON:
In the interest of amenity.
- 5 The dwellinghouse shall not be occupied until all the services have been connected thereto and are operational.
REASON:
In the interest of the proper planning and development of the area.
- 6 That the water supply and drainage arrangements, including the disposal of surface water, be in accordance with the requirements of the County Council.
REASON:

development commences.

REASON:

To comply with public health requirements and to ensure adequate standards of workmanship. As the provision of these services by the County Council will facilitate the proposed development it is considered reasonable that the Council should recoup the cost.

- 8 That details of landscaping and boundary treatment be submitted to and approved by the Parks Department and work thereon completed prior to occupation of the house.

REASON:

In the interest of amenity.

- 9 That the water supply and drainage arrangements, including the disposal of surface water, be in accordance with the requirements of South Dublin County Council. In this regard all surface water drainage to be discharged to public sewer and under no circumstances shall soakways be provided. The applicant shall ensure full and complete separation of foul and surface water sewerage systems.

REASON:

In order to comply with the Sanitary Services Acts, 1878-1964.

- 10 Prior to the commencement of development applicant to submit for the written approval of the Environmental Services Department, full details of proposed drainage system, including pipe sizes, gradient cover and invert levels up to and including connection to main sewer.

REASON:

In the interest of public health.

- 11 All pipes shall be laid with a minimum cover of 1.2m in roads, footpaths and driveways, and 0.9m in open space. Where it is not possible to achieve these minimum covers, pipes shall be bedded and surrounded in C20 concrete 150mm thick.

REASON:

In the interest of public health.

- 12 The proposed development shall comply with part H of the Building Regulations 1997 ensuring adequate capacity for the proposed development in the 150mm diameter sewer to which the foul effluent is proposed to discharge. No more than eight no. houses are to discharge to the 150mm diameter foul sewer.
