Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

REASON:

To ensure that the development shall be in accordance with the permission and that effective control be maintained.

- 2 That three years from the date of this grant of permission, the overhead power lines shall be de-commissioned and the masts removed, and planning permission for the development shall cease. The land shall then be re-instated to the satisfaction of the County Council.

REASON:

In the interest of the visual amenities of the area.

- 3 That before development commences, the applicant shall submit for agreement by the Planning Authority full details of the proposed development, including the following:

- the precise height of the termination masts.
- the precise height of the intermediate masts.
- the precise location of each intermediate mast.

REASON:

In the interest of the proper planning and development of the area and the visual amenities of the area.

- 4 If required, the masts shall be removed at the applicants expense to facilitate the maintenance, replacement or renewal of any services installed in the area of the proposed development.

REASON:

In the interest of the proper planning and development of the area.

- (1) All buildings must be designed and constructed in accordance with the Building Regulations 1997.
- (2) Building Control Regulations require a Commencement Notice. A copy of the Commencement Notice is attached.
- (3) A Fire Safety Certificate must be obtained from the Building Control Authority, where applicable.
