Reasons

- 1 The proposed development which is located within the approach area to Runway 05 at Casement Aerodrome, Baldonnell would interfere with the safe operation and development of air traffic at Baldonnell Aerodrome.
- 2 The proposed development consisting of the provision of a 15m high unipole mast within the built up area of Rathcoole in close proximity to existing residential development would be detrimental to the visual amenity of the area would set a precedent for further such development and would contravene materially an objective of the South Dublin County Development Plan 1998 as set out in Section 2.7.13. As such the proposed development would seriously injure the amenities or depreciate the value of property in the vicinity.
