Caron Developments Limited,
Applicant.

Decision Order
Number and Date D/1384/78, 10/5/78.
Register Reference No. R.A. 502.
Planning Control No. 3883
Application Received on 20/3/78.

A PERMISSION/APPROVAL has been granted for the development described below subject to the undermentioned conditions.
Substitution of house type on approved development, sites 67/80, incl. "St. John's Road", St. John's Road, Clondalkin,

CONDITIONS

1. That the development be carried out and completed strictly in accordance with the plans and specification lodged with the application, save as is in the conditions hereunder otherwise required.

2. That development is not to commence until approval under the Building Bye-Laws has been obtained, and any conditions of such approval shall be observed in the development.

3. That each house be used as a single dwelling unit.

4. That the arrangements made for the payment of the financial contribution in the sum of £15,673., being the contribution in respect of the overall development of which the above sites form part, be strictly adhered to in respect of the development.

5. That no development under any permission granted pursuant to this decision be commenced until security for the provision and satisfactory completion of services, including maintenance until taken-in-charge by the Local Authority of roads, open space, sewers, cararks, water mains or drains has been given by:-

(a) lodgment with the Council of an approved Insurance Policy for the sum of £10,000. which shall be kept in force by the developer until such time as the roads, open space, cararks, sewers, water mains and drains are taken-in-charge by the Council, or

(b) lodgment with the Council of an agreed sum to be applied by the Council at its absolute discretion if such services are not duly provided to its satisfaction, on the provision and completion of such services to standard specification.

REASONS FOR CONDITIONS

1. To ensure that the development will be in accordance with the permission, and effective control maintained.

2. In order to comply with Sanitary Services Acts, 1875-1964.

3. To prevent unauthorised development.

4. The provision of such services by the Council in the area will facilitate the proposed development. It is considered reasonable that the developer should contribute towards the cost of providing the services.

5. To ensure that a ready sanction may be available to the Council to induce the provision of services and prevent disarray in development.

Date: 20 JUN 1978

Approval of the Council under Building Bye-Laws must be obtained before the development is commenced and the terms of approval must be complied with in the carrying out of the work.

5.(c) contd. Lodgment with the Planning Authority of a letter of guarantee issued by anybody approved by the Planning Authority for the purpose in respect of the proposed development in accordance with the guarantee scheme agreed with the Planning Authority and such lodgment in any case has been acknowledged in writing by the Council.

NOTE:- When development has been completed, the Council may pursue the Road to secure completion of the works required to bring the estate up to the standard for taking in charge.

6. That all necessary measures be taken by the contractor to prevent the spillage or deposit of clay, ashes, rubble or other debris on adjoining roads during the course of the works.

7. That all public services to the proposed development, including electrical, telephone cables and equipment, be located underground throughout the entire site.

8. That details of the proposed public lighting arrangements be submitted to and approved by the County Council as to provide street lighting to the standard required by the County Council.

9. That no dwellinghouse be occupied until all the services have been connected thereto and are operational.

10. That the screen walls in block or similar durable materials not less than 6' high, suitably capped and rendered, be provided at the necessary locations so as to screen rear gardens from public view. The specific locations and extent of walling must be fully discussed and agreed with the County Council before construction. Timber fencing is not acceptable.

11. That the area shown as open space be levelled, soiled and seeded and landscaped to the satisfaction of the County Council and to be available for use by residents on completion of their dwellings.

12. That the water supply and drainage arrangements be in accordance with the requirements of the County Sanitary Services Acts, 1872-1964.
