Re: Proposed dwelling at The Brakes, Cunard, Tallaght, for  
D. McGrath.

A Chare,

With reference to your planning application received here on 30th August, 1978, in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963 and 1976, the following additional information must be submitted in quadruplicate:-

1. Further information is required with regard to the following:-
  - (a) Specific evidence of soil suitability for the disposal of septic tank effluent together with the necessary percolation areas, potability of proposed water supply together with all necessary trial holes and percolation tests acceptable to the Health Inspector's Department are required.
  - (b) Specific proposals are required with regard to the feasibility of providing an adequate and satisfactory septic tank drainage system acceptable to the Dublin Corporation Waterworks Department for the purpose of ensuring that the adjoining feeder stream will not lead to contamination or pollution of the Bohernabreena Reservoir. The applicant must consult with the Dublin Corporation Waterworks Department and the Health Inspector's Department, 33 Gardiner Place, before submitting any further information.
  - (c) Specific details of the applicant's uncle's farmholding in acres and its location.

N.B. The applicant should mark his reply "Additional Information" and quote the Register Reference Number given above.

Yours faithfully,

  
\_\_\_\_\_  
for Principal Officer.
