A Chara,

With reference to your planning application received here on 30th August, 1978, in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963 and 1976, the following additional information must be submitted in quadruplicate:

1. The site map and layout plan do not clearly show the proposed bus shelter in relation to existing development. Plans are required showing the existing development in the area, i.e., the housing, road junctions and limits of commercial property. The proposed shelter should be clearly shown in relation to the existing features.

N.B. The applicant should mark his reply "Additional Information" and quote the Register Reference Number given above.

Miss le meas,
