A Chars,

With reference to your Planning Application received on the 19th February, 1976 in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Act, 1963, the following information must be submitted in quadruplicate:-

1. Revised plans which take account of the reservation line for the widening of Templeogue road as shown on the extract (enclosed herewith) from map ref. RD 81-2. This area to be retained free of development.
2. Details of the masts including lateral dimensions, materials of construction and colour.
3. Details of lanterns including the angle of direction and intensity of light. The design should be such as to ensure that the lighting will not cause dazzle to motorists using the public road.
