Approved

A PERMISSION/APPRAVAL has been granted for the development described below subject to the undermentioned conditions.

Proposed residential development at Cramphorne, off Fitzhouse Road.

Conditions

1. That the development be carried out and completed strictly in accordance with the plans and specification lodged with the application, save as is in the conditions hereunder otherwise required.
2. Before development commences, approval under the Building Bye-Laws be obtained and all conditions of that approval be observed in the development.
3. That a financial contribution in the sum of £14,355 (fourteen thousand three hundred and fifty five pounds) be paid by the proposer to the Dublin County Council towards the cost of provision of public services in the area of the proposed development, and which facilitates this development; this contribution to be paid before the commencement of development on the site.
4. That no development under any permission granted pursuant to this decision be commenced until security for the provision and satisfactory completion of services including maintenance until taken-in-charge by the Local Authority of Roads, open space, car-parks, sewers, water mains or drains has been given by:-
(a) Lodgment with the Council of an approved Insurance Company Bond in the sum of £12,000, (twelve thousand pounds) which shall be kept in force by the developer until such time as the roads, open space, car-parks, sewers, water mains and drains are taken in-charge by the Council.

Reasons for Conditions

1. To ensure that the development shall be in accordance with the permission, and that effective control be maintained.
2. In order to comply with the Sanitary Services Acts, 1875-1964.
3. The provision of such services in the area by the Council will facilitate the proposed development. It is considered reasonable that the developer should contribute towards the cost of providing the services.
4. To ensure that a ready sanction may be available to the Council to induce the provision of services and prevent disamenity in the development.
