RE: Proposed alterations and extension to existing garage at
49, Laurel Park, Clondalkin.

With reference to your application received here on the 7th April, 1982 in connection with the above I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963 and 1976 the following additional information must be submitted in quadruplicate:-

1. The lodged plans are insufficiently detailed in that it is not clear how access is gained to the proposed first floor extension and where the 14 or 15 stairs are located together with the appropriate head room.
2. It is considered necessary in any such developments that provision be made for the future internal integration of the existing and proposed development when the structure is no longer required as a "granny " flat. Clarification is required as to whether or not the applicant can provide for such integration.
3. The applicant is asked to clarify what precisely is meant by "granny Flat".

N.B. Please mark your reply "Additional Information" and quote the reference No. given above.

Yours faithfully,

for Principal Officer
