Dublin, 4.

Register Reference No. 15618

Planning Control No. 4/12/74

R. T. E.

Application Received on

Applicant :

A PERMISSION/APPROVAL has been granted for the development described below subject to the undermentioned conditions.
Proposed free standing tower at Grounds of Airline Stud, Tandy's Lane,
Godeboro, Lucan.

Conditions

Reasons for Conditions

- | | |
|--|--|
| 1. No work to commence on the erection of the aerial and associated wiring system until a licence or other appropriate authorisation has been issued by the Local Authority. (Applicant is advised to contact the Roads Section, 6, Parnell Square). | 1. To provide a satisfactory standard of development and to avoid injury to any persons or property in the adjacent and surrounding areas. |
| 2. The development to be carried out and completed strictly in accordance with the permission granted by the Planning Authority. | 2. To provide a satisfactory standard of development and to avoid injury to any persons or property in the adjacent and surrounding areas. |
| 3. A certificate of structural soundness from a competent structural engineer to be submitted by the applicant to the Planning Authority before use commences. | 3. To provide a satisfactory standard of development and to avoid injury to any persons or property in the adjacent and surrounding areas. |
| 4. The Planning Authority's requirements with regard to any excavations or re-instatement works in carriageways, verges and footpaths to be strictly carried out. | 4. To provide a satisfactory standard of development and to avoid injury to any persons or property in the adjacent and surrounding areas. |
| 5. The applicant to provide any lighting conductor required and aerial navigation lights required by the Department of Transport and Power and check with them to find if this is necessary. | 5. To provide a satisfactory standard of development and to avoid injury to any persons or property in the adjacent and surrounding areas. |
| 6. Permission for this development is limited to 7 years from the date of grant of permission. The communal Television Aerial to be removed by the owner at his own expense at the expiry of that period unless the Planning Authority issue a further permission on application being made to them, for the retention of the aerial beyond that date. | 6. To provide a satisfactory standard of development and to avoid injury to any persons or property in the adjacent and surrounding areas. |
| 7. That the communal Television Aerial shall be fitted with anticlimbing devices to the satisfaction of the Council before the use commences. | 7. To permit the Planning Authority to re-assess the situation in the light of circumstances then obtaining and to check the stability of the structure. In the interest of public safety. Continued overleaf. |

on behalf of the Dublin County Council :

Form 4

for Senior Administrative Officer
Date : 13th March, 1975

Approval of the Council under Building Bye - Laws must be obtained before the development is commenced and the terms of approval must be complied with in the carrying out of the work.

G. That the serial shall be self supporting and shall not require tie-wires or the like.

H. In the interest of visual amenity.

Mary Heath
For Senior Administrative Officer
