Re: Proposed Horticulture Field Station at St. Catherine's,
Leixlip, for University College Dublin

A Chara,

With reference to your Planning Application received on the 20th October, 1970, in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Act, 1963, the following information must be submitted in triplicate:-

1. Details of total extent of holding in both counties Dublin and Kildare and their relative locations are required.
2. The location of all existing buildings on the lands are required.
3. The levels and contours of the lands, in so far as these are available, are required.
4. Details of the proposed drainage arrangements, including the feasibility of connections to Leixlip Works are also required, adequate provision should also be made for surface water disposal with satisfactory arrangements for oil and grease traps, together with controls of any chemical bearing effluents.

Mise, le Meas,

a.s. Príoch Oifigeach
