Re: Proposed Steel Frame building for Metal Refining
at Station Road, Clondalkin, for Metal Refiners Ltd.

A Chara,

With reference to your Planning Application received on the 28th August, 1970, in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Act, 1963, the following information must be submitted in triplicate:-

1. Precise details of the business and trade processes are required.
2. Drainage disposal details together with details of any trade effluent are required.
3. Full details of stack emissions and in particular information on "lead discharge" are required.
4. An accurate site map showing all the structures on the site.
5. A layout map showing the existing and proposed off-street car-parking and loading/unloading facilities.
6. The anticipated increase in number of employees.

Mise, le Meas,

W.M.
