re: Proposed bungalow at Balrothery for Michael McNamee.
Application received: 7th November, 1969.

A Chara,

With reference to your letter dated 6th November, 1969, regarding planning permission in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Act, 1963, the following information must be submitted in triplicate:-

1. The present application is inadequately detailed with regard to water supply and drainage arrangements, and the applicant is required to submit detailed drawings indicating the proposed arrangement for the provision of water supply and drainage facilities to serve the proposal.
2. In the event that the proposed method of drainage will be by means of septic tank, revised plans are required providing for the location and excavation of satisfactory trial holes after consultation and agreement with the Sanitary Authority, No. 6 Parnell Square, with regard to the proposed method of providing septic tank drainage for the development.

Mise, le meas,
