CORPORATION OF DUBLIN

Order of the Assistant City and County Manager

Local Government (Planning & Development) Acts 1963/76, Local Government (Dublin) Acts 1930-1955

Decision Order No. **P1946** Date.....

RECOMMENDATION:

I hereby endorse the recommendation of the
Development Control Assistant Grade 1/Planning Assistant Grade 1: **WT/JC** Date **2.7.1982**

TO GRANT **PERMISSION** in respect of the Application received on **7.5.1982**

subject to **10** conditions, for the development proposed in Plan No./Reg. No. **1904/82**

by Applicant **P. Devine & Sons Ltd.,** of **39, Wollington Road, Dublin 12.**

namely to: **Revised house type at sites 56 to 58, Rathfarnham Castle, Dublin 14.**

Signed: **RB** Principal Officer. Date: **5/7/82**

ORDER: In accordance with the recommendation of the Principal Officer, I decide that having regard to the provisions which are included in the Development Plan, the above proposal would be consistent with proper planning and development and I, therefore, decide TO GRANT **PERMISSION** therefor under the Local Government (Planning and Development) Acts, 1963/76 subject to the following conditions imposed for the reasons stated.

Conditions	Reasons for Conditions
1. The development to be carried out in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.	To ensure that the development will be in accordance with the permission.
2. Before commencement of development, approval under the building bye-laws to be obtained and all conditions of the approval to be observed in the development.	To comply with the provisions of the Sanitary Services Acts 1878-1964
3. The ridge height of the houses shall not be higher than that of ridge heights on Plot Nos. 69-72 (Plan No. 3324/79).	In the interest of visual amenity.
4. Each house shall be used as a single family dwelling.	To provide for the proper planning and development of the area.
5. Minimum building line of 20' shall be provided in conjunction with each house.	To ensure an adequate standard of development.
6. Screen walls to houses on corner sites and on the perimeter of the development shall be 6' in height properly capped and finished to match the brick and matt plaster finish of the proposed houses.	In the interest of visual amenity.
7. The following requirements of the Engineering Department (Roads Section) shall be complied with in the development:- a) All surface water from each site shall be trapped and discharged to drains within the curtilage of the site, such discharge shall be made to the surface water drains where the drainage is on the separate system.	

5/7/82

Assistant City and County Manager Date.....

to whom the appropriate powers have been delegated by Order of the City and County Manager dated.....

Conditions	Reasons for Conditions
all manholes, AJ's FAI's etc., shall be located within the site of the site of each house, boundaries between private property and public footpaths, roads, etc., shall consist of a wall constructed of similar materials to that of the proposed houses and to be of similar design to the walls already constructed in front of the existing houses on the estate. d) Driveway gradient shall not exceed 1 in 40 for the first 20' measured from the back of the footpath. e) Gates to driveway shall be designed not to open outwards over the footpath. f) Specifications for the Paving Section of the Corporation shall be used for roads or footpaths, construction of shall be at the supervision of the Paving Engineer. g) The development shall conform with requirements for new development for the Corporation which is obtainable from the Paving Section of the Corporation.	To achieve a satisfactory standard of development.
8. A detailed landscaping scheme shall be carried out on the site and shall make provision for the following:- a) Semi-mature trees planted in the grass margins in front of every house, along the side gardens of houses on corner positions. Species of trees shall be specified by the Corporation's Parks Superintendent. b) All open spaces, roadside grass margins and play areas shall be completed to the satisfaction of the Parks Superintendent. c) For the avoidance of doubt, all relevant conditions applying to the original planning permission on the entire site of which the present application forms a part (Plan No. 5730/78) shall also apply to this permission; in particular the 5.375 acre public open space shall be transferred to the Corporation prior to the commencement of development and the playing pitch shall be developed fully before completion of 100 houses on the entire site.	In the interest of residential amenity and to achieve a satisfactory standard of development.
9. The requirements of the Engineering Department (Sanitary Services) shall be complied with in the development.	To achieve a satisfactory standard of development.
10. The brick tile and plaster finish shall match the colour and finish of the existing houses on sites 29-36. The entire east elevation of house no. 57 and the south elevation of house No. 58 shall be of brick.	In the interest of visual amenity.
