action and endorsement of John F. Kennedy Drive, Mitchell

floor area - 10,000 sq. ft.

(1) That an environmental work takes place with detailed drawings, which should include a revised location of the proposed building as an agreed distance from the River Ganges culvert, and the relevant foundation details, be submitted to and approved by the County Council under the Local Government (Planning and Development) Act, 1963.

Notes: The applications are advised to consult with the Roads Engineer and Sanitary Services Engineer, Russell Square, in connection with the above Condition (1); the applicants should also note that the foundations from Cullin Corporation to the proposed entry construction is also required.
