Registrar

Co. Accountant's Receipt No.

- (1) That the development be carried out in accordance with the plans and specifications lodged with the application.
- (2) That the roads, sewers, watermain and other services shown on the plans or required for the development, be constructed in accordance with the County Council's specification for such services.
- (3) That the levels and alignment of the proposed ring road shall be approved by the Planning Authority before any construction work takes place.
- (4) Compensation should be taken in the setting out and alignment of this ring road and the council developments of the Council's proposal to lay a main trunk sewer through the site. For this purpose a surveyor will be required by the Council, which should be provided for by the developer (particulars of the location and other details of this trunk sewer can be obtained from the Sanitary Services Section of the County Engineer's Department). 6. Particulars of sewer, Dublin.
- (5) That all houses shall be set back a minimum distance of 20 ft from the adjacent road boundaries.
- (6) That no development under any Permission granted pursuant to this decision be commenced until an Insurance Company bond to the sum of £100,000 is furnished for the protection and completion of services of footways, kerbing and landscaping of verges and ancillary works for the permitted development has been lodged with the Council and acknowledged in writing by it, or alternatively by each deposit of such sum as may be accepted by the Council coupled with an agreement empowering the Council to apply the said deposit for the execution of uncompleted development.
- (7) That Building Bye-Laws approval shall be obtained at any consultation of such approval shall be observed in the development.
