**RE: Proposed 2-storey extension to side of 50 Culmore Road,
Palmerstown, for P. Walsh.**

Dear Sir,

With reference to your planning application, received here on 10th November, 1989, in connection with the above, I wish to inform you, that before the application can be considered under the Local Government (Planning and Development) Acts, 1963-1983, the following Additional Information must be submitted in quadruplicate:-

1. The proposed development involves the demolition of an existing side garage and the construction of two-storey side extension. It is noted that the side external wall of the new extension is located closer to and would appear to encroach on the adjoining westerly site. Moreover, the roof of the new extension would appear to materially oversail the adjoining westerly site. The applicant is requested to submit (1) details of his right(s) to carry out the development as proposed and/or (2) any proposals he might have to reduce/eliminate possible oversailing/encroachment on adjoining property.

Please mark your reply "Additional Information" and quote the Reg. Ref. No. given above.

Yours faithfully,

for Principal Officer.
