1. That the development be carried out and completed in strict conformity with the plans and specifications adopted with the application, save as to the conditions hereinafter otherwise specified.
2. That the students in the north facing wall of the proposed house (i.e., in the children and bedrooms) shall have a full level not less than 18" from their suspended floors and that they be placed with marked care in or other such chosen glass. This condition is imposed to prevent injury and prevent injury to the equality of the adjoining house on the north.
3. That all other by-law general shall be obtained and any condition of approval shall be observed in the development.
