Re: Proposed two-storey extension to rear of existing dwelling
at 2, Convent View, Clondalkin for M. Smith.

Dear Sir,

With reference to your planning application, received here on 25/7/'88, in connection with the above, I wish to inform you, that before the application can be considered under the Local Government (Planning and Development) Acts, 1963-1983, the following additional information must be submitted in quadruplicate:-

1. The proposed development, which includes the provision of a large two-storey extension to rear of an existing semi-detached bungalow, would be visually obtrusive and inconsistent with the character and scale of development of this (western) side of Boot Road. The applicant is requested to clarify whether or not he can submit an acceptable proposal to reduce the scale and impact of the proposed development on the amenities of the area.

Please mark your reply "Additional Information" and quote the Reg. Ref. No. given above.

Yours faithfully,

for Principal Officer.
