RE: Proposed extension to existing storage and machine shed at
Adamstown, Lucan for W. J. Goodwin.

Dear Sir,

With reference to your planning application received here on 16th August, 1982, in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning & Development) Acts, 1963-1982, the following additional information to be submitted in quadruplicate:-

1. Applicant should submit details of the proposed use of the extension and indicate if it is proposed as an extension to an existing operation on the site or if it is proposed as a separate industrial unit.
2. Clarification is required regarding the discrepancy in the application in that the letter of application refers to an extension to "one or two" storage and machine sheds whilst the drawings submitted indicate a single extension.
3. Detailed layout of off-street car parking and truck parking for the existing and proposed development are required. It is noted that building material is stored on a large area of the approved car and vehicle park and clarification of this matter is required.

Please mark your reply "Additional Information" and quote the Reg. Ref. No. given above.

Yours faithfully,

for Principal Officer.
