RE/ Proposed erection of Community Centre at Quarryvale, Clondalkin for
Quarryvale Residents' Association

Dear Sir,

With reference to your planning application, received here on the 13.11.86 in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963-1983, the following Additional Information must be submitted in quadruplicate:-

1. The location map lodged with this application does not show accurately the layout of the area and does not show the location of the site in relation to adjoining developments. An accurate location map is required before this application can be fully considered.
2. The site plan does not clearly identify the area of land attaching to the centre, nor does it show any proposed paving, car parking areas or landscaping details or boundary treatment. Information in regard to these matters is required.
3. The Planning Authority is concerned that the structure as proposed might be visually obtrusive. In this regard, insufficient information has been submitted with regard to external finish of walls and roof.

NOTE: The applicant is advised to consult with the Planning Authority prior to submission of Additional Information.

Please mark you reply 'Additional Information' and quote the Reg. Ref. No. given above.

Yours faithfully,

FOR Principal Officer.
