A PERMISSION/APPROVAL has been granted for the development described below subject to the undermentioned conditions.

Proposed substitution of house type, Site 22, Road 7, Beverley Court, Knocklyon
Road/Scholarstown Road, Templeogue.

CONDITIONS	REASONS FOR CONDITIONS
1. The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.	1. To ensure that the development shall be in accordance with the permission and that effective control be maintained.
2. That before development commences, approval under the Building Bye-Laws be obtained, and all conditions of that approval be observed in the development.	2. In order to comply with the Sanitary Services Acts, 1878-1964.
3. That each proposed house be used as a single dwelling unit.	3. To prevent unauthorised development.
4. That the arrangements made for the payment of the financial contribution in the sum of £96,800 in respect of the overall development be strictly adhered to in respect of this development.	4. The provision of such services in the area by the Council will facilitate the proposed development. It is considered reasonable that the developer should contribute towards the cost of providing the services.
5. That the areas shown as open space be levelled, soiled and seeded and landscaped to the satisfaction of the County Council and to be available for use by residents on completion of their dwellings. Or, alternatively, a financial contribution of £300 per house be paid to the Council prior to commencement of development.	5. In the interest of the proper planning and development of the area.

Approval of the Council under Building Bye-Laws must be obtained before the development is commenced and the terms of approval must be complied with in the carrying out of the work.

CONDITIONS

REASONS FOR CONDITIONS

- 13 That all watermain tapplings, branch connections, swabbing and chlorination, be carried out by the County Council, Sanitary Services Department and that the cost thereof be paid to the County Council before any development commences.
- 14 That an acceptable street naming and house numbering scheme be submitted to and approved by the County Council before any constructional work takes place on the proposed houses.
- 15 That screen walls in block or similar durable materials not less than 2 metres high, suitably capped and rendered, be provided at the necessary locations so as to screen rear gardens from public view. The specific locations and extent of walling must be fully discussed and agreed with the County Council before construction. Timber fencing is not acceptable.
- 16 That the developer shall construct and maintain to the Council's standard for taking in charge all the roads, including footpaths, verges, public lighting, open space, sewers, watermain or drains forming part of the development, until taken in charge by the Council.

17. That the areas shown and conditioned as open space be fenced off during construction work and shall not be used for the purpose of site compounds or for the storage of plant, materials or spoil.

18. The areas of land between the reservation lines and the new kerb of the widened carriageways shall be graded evenly from the site level to the road level. All scrub and bushes shall be cleared. Any trees nearer than 2m. to the new kerb shall be removed by the developers. The proposed boundary treatment between the proposed development and the new carriageways shall be submitted to and agreed with the Dublin County Council before development commences.

13 To comply with public health requirements and to ensure adequate standards of workmanship. As the provision of these services by the County Council will facilitate the proposed development, it is considered reasonable that the Council should recoup the cost.

14 In the interest of the proper planning and development of the area.

15 In the interest of visual amenity.

16 In the interest of the proper planning and development of the area.
