IME	PORTANT: Turn overleaf for further information		
4	M7	Date	

Approval of the Council under Building Bye-Laws must be obtained before the development is commenced and the terms of approval must be complied with in the carrying out of the work.

- 12. That all watermain tappings, branch connections, swabbing and chlorination, be carried out by the County Council, Sanitary Services Department and that the cost thereof be paid to the County Council before any development commences.
- 13 That an acceptable street naming and house numbering scheme be submitted to and approved by the County Council before any constructional work takes place on the proposed houses.
- That screen walls in block or similar durable materials not less than 2 metres high, suitably capped and rendered, be provided at the necessary locations so as to screen rear gardens from public view. The specific locations and extent of walling must be fully discussed and agreed with the County Council before construction. Timber fencing is not acceptable.
- That the developer shall construct and maintain to the Council's standard for taking in charge all the roads, including footpaths, verges, public lighting, open space, sewers, watermains or drains forming part of the development, until taken in charge by the Council.
- 16. That the areas shown and conditioned as open space be fenced off during construction works and shall not be used for the purpose of site compounds or for the storage of plant, materials or spoil.

- 12To comply with public health requirements and to ensure adequate standards of workmanship. As the provision of these services by the County Council will facilitate the proposed development, it is considered reasonable that the Council should recoup the cost.
- 13In the interest of the proper planning and development of the area.
- 14In the interest of visual amenity.
- 15n the interest of the proper planning and development of the area.
- 16. To protect the amenities of the area.
