RE/ Proposed light industrial development on a site between Long Mile Road and Robinhood Road, for OFLA Ltd.

Dear Sir,

With reference to your planning application, received here on the 1st August, 1985 in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963-1983, the following additional information must be submitted in quadruplicate:-

1. In view of the Council's revised road proposals for Long Mile Road, Robinhood Road and Club Road, which are likely to affect the location of the proposed buildings, particularly with regard to Robinhood Road, the applicants are to provide an adjusted building layout, including car parking taking into account the new road proposals. These matters are to be the subject of consultation with the Roads Engineer and Planning Department before the submission of additional information.

Please mark your reply "Additional Information" and quote the Reg. Ref. No. given above.

Yours faithfully,

for Principal Officer.
