22nd August, 1985:

RE: Proposed new shop front and two storey extension to rear of
Electro-Vision Ltd., Tower Road, Clondalkin - P. Coby:

Dear Sir,

With reference to your planning application received here on 4th April, 1985, additional information received 25th June, 1985, in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963-1983, the following clarification of additional information must be submitted in quadruplicate:-

1. Additional information was requested on 30th May, 1985, as follows:-
"The applicant is requested to indicate if he can provide for off street car parking to Development Plan Standards to serve the development both existing and proposed".
The applicant has indicated that three off street car parking spaces will be provided to the rear of the development. This would necessitate the demolition of an existing shed. Another application (85A/907) received in the Planning Department on 5/7/85, indicates this shed and also indicates car parking on the site of the proposed development. The applicant is requested to show that he has sufficient legal interest in the land to carry out the development and provide the off street car parking as proposed to provide for his development.

Please mark your reply "Clarification of Additional Information" and quote the Reg. No. given above.

Yours faithfully,

for Principal Officer:

Paul Redmond,
12, Ashwood Park,
Clondalkin,
Co. Dublin.
