29th April, 1985:

RE: Additional shop unit at ground level at proposed development at  
Rose Cottage, Tower Road, Clondalkin for Sherborough Developments  
Ltd:

Dear Sir,

With reference to your planning application received here on 1st March, 1985 in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963-1983, the following additional information must be submitted in quadruplicate:-

1. The proposal as submitted is for permission for an extension to an approved development. However, the layout does not indicate the remainder of the development as approved. Thus the extension as proposed does not relate to an approved development. The applicant is requested to indicate if he wishes to apply for the alterations to the originally approved development. If this is the case a revised advertisement is required and an additional fee as well as drawings showing the extent of the development applied for as well as details of it.

Please mark your reply "Additional Information" and quote the Reg. Ref. No. given above.

Yours faithfully,
