Meeting at 45/67, Greenhill Street, London

- (1) A variation in the proposed location would conflict seriously with the character of the area which is predominantly residential.
- (2) The proposed development would constitute a serious injury to the security of an established residential area.
- (3) The location map submitted with the application does not properly represent the area as it is presently developed and the black plan does not show the relationship of the proposal to the surrounding development.
