- (1) That the development be carried out and completed in strict conformity with the plans and specifications lodged with the application, save as is in the conditions hereunder otherwise required.
- (2) That the roads, sewers, watermains and other services shown on the plans or required for the development be constructed in accordance with the County Council requirements for such services.
- (3) That the extent of the proposed factory estate roads, sewers, watermains and other services necessary to serve factory sites shall be strictly limited by this permission to that required to serve factories, the total quantity of sewage from which, shall not exceed the figure laid down in the condition imposed on the Ministerial permission by Order dated -

- (1) To ensure that the development shall be in accordance with the permission and effective control maintained.
- (2) To ensure that the development shall be in accordance with the permission and effective control maintained.
- (3) In order to regulate the discharge of effluent into the existing public sewer in the interests of Public Health.
