Co. Accountant's Receipt No.

Proposed housing developments at Lakeland.

- (1) There is no water available.
- (2) The proposed developments would be premature by reason of the still existing deficiency in the provision of sewerage facilities and the poor condition which such deficiency may reasonably be expected to be made good.
- (3) The layout is unsatisfactory from a planning point of view with regard to provision of open spaces, pedestrian circulation, provision for future road widening and site access.
